- Relevant Coursework: Quantitative Microeconomics, Macroeconomics, Political Economy, Multivariable Calculus, City Planning
- Campus Involvement: Berkeley International Consulting, Students for Abundance, Salsa at Cal, Berkeley Project (Volunteering)

Professional Experience

Geoforce, Inc. | Berkeley, CA
Strategy and Productization Consultant *September 2026 – Present*
- Productizing full-stack offerings at lower input cost by consolidating 1,000+ software and hardware specs toward 10 base SOPs
- Co-built a 16-document catalogue to map the order-to-ship process, facilitating 3x faster product turnaround by aligning siloed teams
- Designing 3 agentic workflows to replace 10+ sign-offs with 5 AI-augmented, human-approved gates on a single source of truth

International Rescue Committee, contracted by Threshold Giving | Washington, DC
Canvasser, Field Manager *June 2026 – August 2026*
- Raised an average of $7,740 in recurring monthly donations by canvassing and field management; intake rising month over month
- Promoted from trainee to staff to field manager in 4 weeks after beating quota 3 times; coached 3 trainees on pitching and objections

Bay Area Rapid Transit (BART) | Berkeley, CA
Strategy and Data Analysis Consultant *January 2026 – May 2026*
- Mapped student transit access across 50 stations and 8 schools with ArcGIS and survey analysis to size proposed service cuts' impact
- Quantified equity gaps, finding 90.9% of ~132,000 in-range students affected by service cuts, through what-if scenario planning
- Presented findings and next steps to the BART board, which then launched targeted student outreach on service alternatives

American Pool LLC | Washington, DC
Lifeguard *May 2025 – August 2025*

Washington Lawyers' Committee for Civil Rights and Urban Affairs | Washington, DC
Communications and Development Intern *September 2023 – September 2024*
- Built a 1,000+ donor database in a CRM (Raiser's Edge) and Excel by merging giving history, outreach records and demographics
- Segmented 1,000+ donors into 48 groups by issue, ask type and ask amount using Excel PivotTables and expected-value analysis
- Contributed to the organization's largest-ever annual raise by running segment-matched appeals across mailers, calls and online

Leadership, Projects & Volunteer Experience

Students for Abundance, UC Berkeley | Berkeley, CA
Outreach Director; former Fellowship Lead *October 2025 – Present*
- Co-lead Abundance policy fellowship of 10 students chosen from 33 applicants; direct online and offline membership outreach

Second Brain | Berkeley, CA
Creator *August 2026 – Present*
- Built a self-maintaining wiki shared by a 4-person team that ingests, indexes and archives input via 16 skills, 5 agents and MCPs

Agent Dashboard | Berkeley, CA
Creator *October 2026 – Present*
- Built an MCP-native 4-inch portable monitor tracking up to eight agents' progress and notifications, sorted by urgency and CTAs

School Without Walls High School | Washington, DC
Student Researcher *September 2024 – May 2025*
- Authored 21-page thesis modelling Metro-integrated micromobility ridership gains (DC Micromobility and Transit Research Project)

Foundry United Methodist Church | Washington, DC
Tutoring Support Volunteer *August 2023 – January 2024*
- Coordinated ESL tutoring for 25 students by assessing literacy and English fluency and interpreting for teachers in Spanish

Appalachian Service Project | Johnson City, TN
Volunteer Construction Worker, Youth Leader (Summers) *June 2022 – June 2024*
- Repaired structural damage to 3 low-income families' homes over 3 summers by co-managing 5-volunteer crew and project logistics
